

# Sequence Feedback Process

## About this Service

The goal of this feedback program is to provide opportunities for feedback in professional development, as well as recreational learning. Your sequence will be analyzed by high quality, experienced aerial coaches. They will provide a written report to help you identify your areas of strength and areas . If you elect a Skype session, your coach will find a time to meet with you to discuss his or her recommendations. We look forward to working with you.

## Video Submission Guidelines

- The sequence can be up to 5 minutes in length.
- Submit a video of the sequence via Google Drive, dropbox, or send us a link to a YouTube video.
- After submitting payment via the shop at AerialDancing.com, send your video and this questionnaire to: [info@aerialdancing.com](mailto:info@aerialdancing.com).

## Sequence Feedback Questionnaire

1. Why are you interested in receiving feedback? What are your goals?

2. Pick the one that most accurately describes your position and relationship to your piece:  
professional piece for theater (professional means you will be getting paid to perform)  
professional piece for entertainment (ex: corporate party gig)  
teacher who will be demonstrating and teaching this sequence to students  
student in learning process

3. Which area would you MOST like feedback in?

technique (arms in the right place, correct muscles engaged, etc)

artistry (style of the arms, timing of engaged muscles, etc)

4. Do you have any specific questions for your consultant? Please list them here.
